Are award winners all they're cracked up to be? Join us as we discuss Laura Ruby's 2016 Printz award winning title *Bone Gap*!

Bone Gap is the story of Roza, a beautiful girl who is taken from a quiet midwestern town and imprisoned by a mysterious man, and Finn, the only witness, who cannot forgive himself for being unable to identify her kidnapper. As we follow them through their melancholy pasts, their terrifying presents, their uncertain futures, acclaimed author Laura Ruby weaves a heartbreaking tale of love and loss, magic and mystery, regret and forgiveness—a story about how the face the world sees is never the sum of who we are.
